

REASONS WHY A PERSON IS EXCELLENT AT THEIR JOB

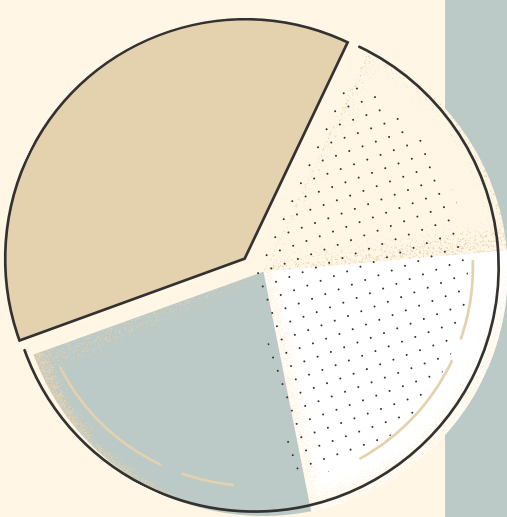

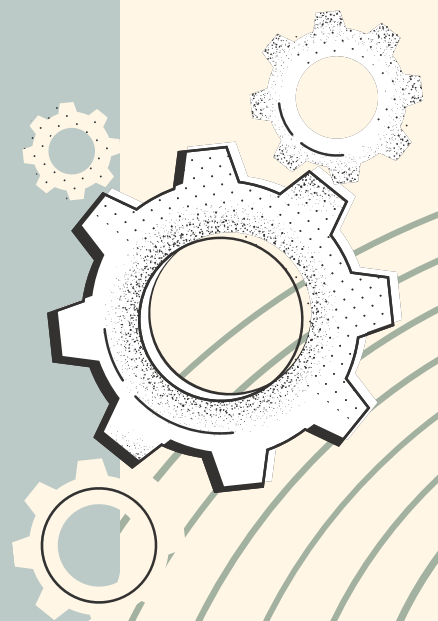

LEADERSHIP

Motivates her team with clarity, empathy, and well-defined goals. She is always available to guide others, but also trusts in their abilities.

ORGANIZATION

Uses agile methodologies to keep projects on track and on time. She uses tools like Trello, Jira, and Notion to stay organized.

COMMUNICATION

knows how to explain technical topics to non-technical people. She keeps communication clear with clients, leadership, and her team.

CONTINUOUS LEARNING

Stays up to date with new technologies, takes courses, and applies what she learns to improve workflows.
